

emotion

For settings that delight

The extraordinary design of the *Emotion* collection from Bauscher plays out in the "smile" of its porcelain pieces. The natural aesthetics of catenoid curves meet reduced basic shapes. Squares and rectangles swing in the rhythm of the theme, sometimes smoothly and gently, and sometimes to dynamic heights. The varied intensity of the curves alludes to a smile, creating a friendly bridge between the different depths of the pieces. *Emotion* supports the food, both subtly and confidently. The creative diversity of the *Emotion* collection sets a great stage for small, delicate food creations, thus creating an emotional introduction to a successful event. **Design: Ottenwälder und Ottenwälder, 2011**

Creative diversity

Letting your imagination run free. With the various pieces from the *Emotion* collection, you can create entire buffet landscapes. No matter how the individual elements are combined – the porcelain pieces with their various lines and curves will always form an attractive overall picture. That leaves plenty of room for the emotional presentation of light refreshments – meeting all guest expectations.

The different *Emotion* pieces can be arranged in a variety of ways, continuously opening up new and fascinating variations. Make use of *Emotion*'s creative possibilities for exciting food presentation experiences.

Limitless expansion

Antipasti or dessert variations, flying buffet or served at the table – the emotionally appealing design of the *Emotion* collection offers a unique setting for special food compositions. The inviting “smile” of the elements makes for a friendly atmosphere by its looks alone. Through combination with other Bauscher collections, this setting can be expanded without limits, creating exciting dialogues between angular and round, large and small shapes. There is no limit to creative inspiration. *Emotion* lets you enjoy indulgence, and creates a smile.

Décor Service

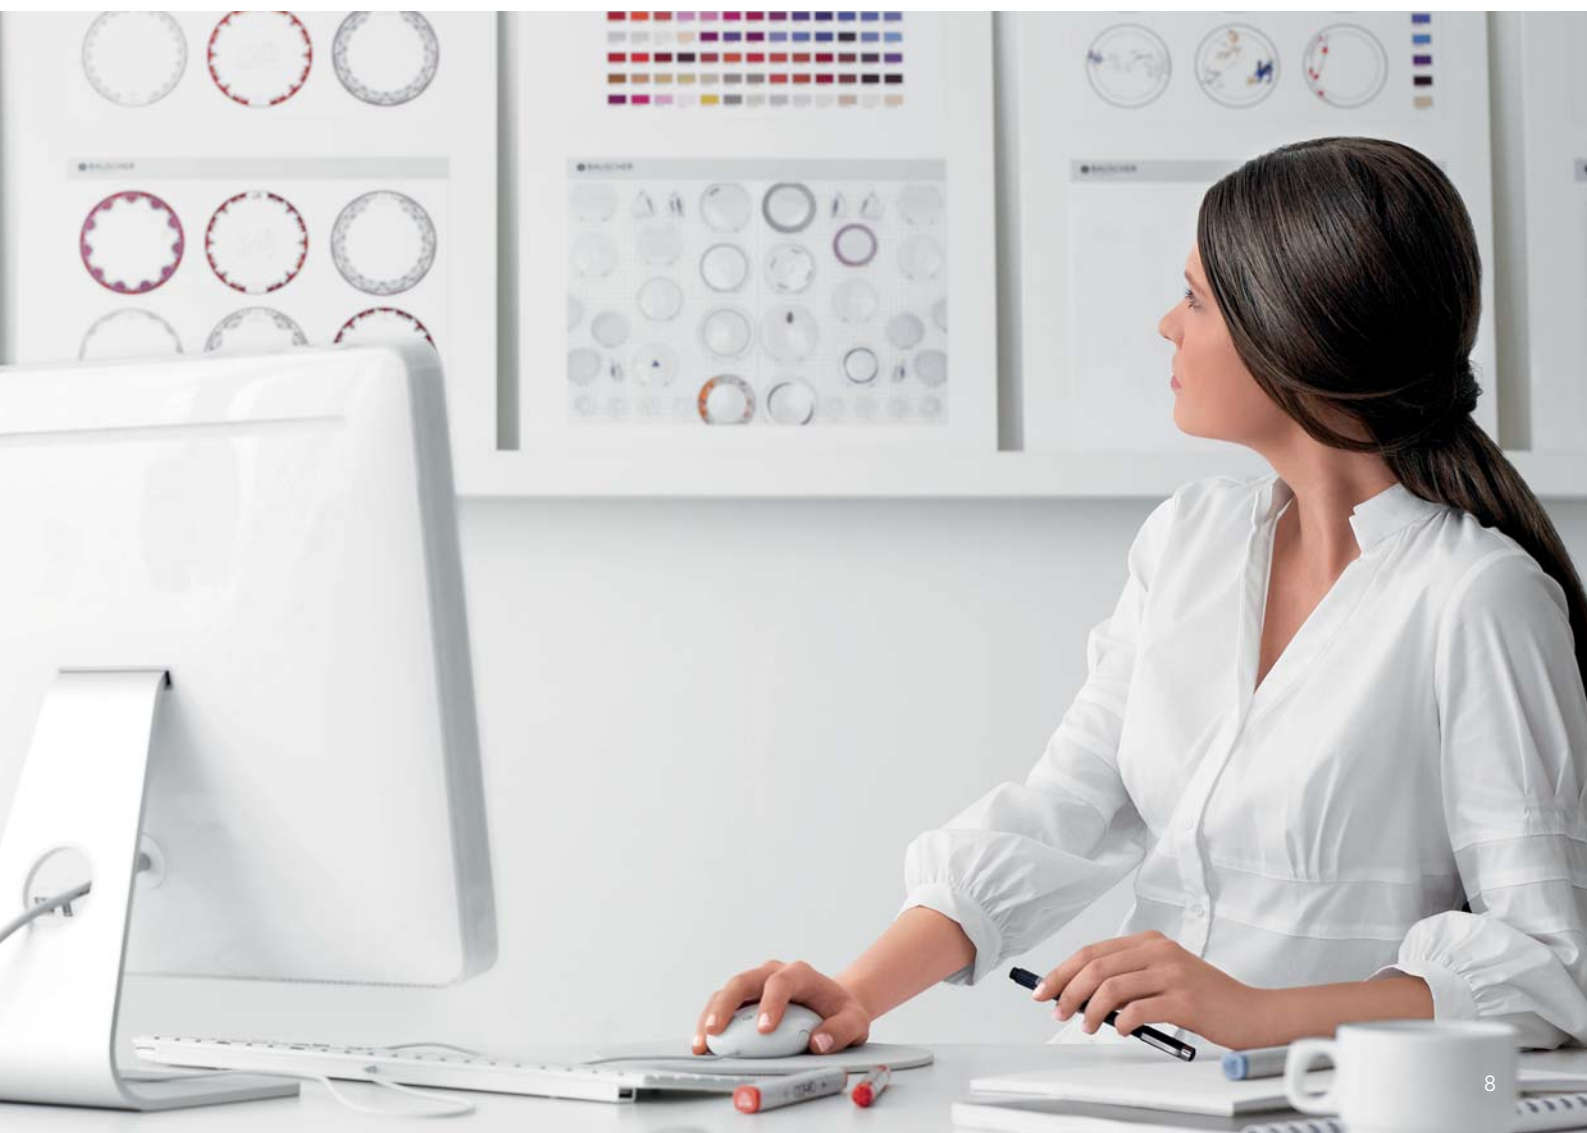

Porcelain shows its colors

Bauscher has always stood for design that sets standards in professional porcelain, not only in the shaping of any given article but also in its extraordinary colors. We take great pride in our Atelier. Day in and day out, the designers at our in-house studio create new, unmistakable décors in close coordination with our customers. Whether elegant colors, fine vignettes or vivid patterns – a décor is an important message in gastronomy that sets an establishment apart and underscores its personality.

Our special forte: custom-made designs

Our studio's portfolio encompasses a collection of more than 25,000 décors. Anyone who cannot decide from such a huge choice can simply have their own individual décor created. Our décor studio provides tailored solutions for every wish - classic logos or word marks as well as elaborate patterns and decorations on rims and mirrors. We remain at the customer's side throughout the production process, sharing our experience and creativity from the first draft to final delivery.

Accentuating with colors

The Bauscher décor studio offers the most diverse color and font options to customers seeking a tailored look. Countless brilliant colors and typefaces await – inspired design ideas are all it takes to bring them to life. Of course, we are also happy to use our customers' proprietary typefaces and color definitions. Our Atelier can accommodate almost every wish. Working with state-of-the-art technology, we apply all our skills and enthusiasm to create décors that inspire our customers and their guests.

Personality begins where comparison ends

With high-quality porcelain an establishment presents not only the kitchen's finesse to the guest, but also an important part of its personality. The significance of an individual décor is impossible to overestimate. It raises recognition value in the competitive hotel and gastronomy industries. It treats the guest to a coherent overall impression and demonstrates that quality is a top priority for the host. In times when guests can choose from the diverse gourmet offerings from all over the world, custom décor is decisive in making a good and lasting impression.
