"Modul" - melamine

The advantages of melamine are manifold. It is dishwasher-safe and food-safe, which becomes evident in daily catering use! The smallest tray is 530 mm long and is therefore partially compatible with existing GN-systems. All trays are stackable.

Besides the merely technical properties, the flat black trays differ from the variant made of wood by their modest design and comfortable haptic.

530 mm

base tray "Modul"
melamine, black, surface matt, food-safe, dishwasher-safe, not suitable for microwave and combi steam oven

item	l x w x h in cm	packing unit
4581	53x28x1.8	2 pcs.

"Modul" - melamine

- Modern design with matt-black surface
- Dishwasher-safe
- Food-safe
- Odourless
- Easy-care

DESIGN by ZIEHER

"Modul" - walnut

Wood from the European walnut tree, which is one of the most precious and most beautiful types of wood, forms the basis for this series. Both the wood's warm brown colours in different shades and its intensive and distinctive grain make every product a unique item. The high-quality workmanship in combination with the food-safe sealing guarantees long durability, even in everyday use.

The party spoon items 1938... are available on page 232.

Suitable inserts for the bridge "Modul" are available on page 135.

base tray "Modul"

Non-slip covers in matt black
Classy look - great benefit!

In connection with the trays made of walnut, the matt black look and the velvety texture, these mats create an interesting contrast. In combination with the "Modul" melamine trays, they become almost invisible.

The mats made of food-safe silicone are extremely skid-proof and facilitate the serving considerably. No clattering, no shifting of porcelain bothers guests and staff!

To clean the mats, please use a moist cloth with some detergent and wipe off with a cloth and clear water.

Non-slip coasters for single miniatures are available on page 206.

The sizes of the mats perfectly fit the walnut trays items 4721, 4722 and 4723. With a sharp cutter knife the mats can be adjusted in size to fit the same sized melamine trays items 4581, 4582 and 4583. We recommend the use of a cutting board and a steel ruler.
non-slip mat

silicone, black, temperature resistant (-40 °C - +230 °C), food-safe, for walnut trays "Modul" items 4721, 4722 and 4723, can be cut to fit melamine trays "Modul" items 4581, 4582 and 4583
